

Our Beginning *as told by K7 and friends*

On the 15th May 1993, Ned Heritage placed an ad in The Gladstone Observer inviting any Ulysses Club members in the Gladstone area to a BBQ at 19 Dalton St Gladstone, on the 22nd May 1993, with the intention of forming a Gladstone Branch of the club if there was enough interest shown in the idea.

There was a good roll up that evening, so a branch came into being. We can't recall all of the people who attended, but some of them were –

- 🛖 Stan Elphick (2898)
- 🛖 Don & Maureen Kennedy (3365 & 4055)
- 🛖 Alan & Ingrid Hollis (5035)
- 🛖 Daryl & Lin Lee (5365)
- 🛖 Ken Sevenoaks (5469)
- 🛖 Col Howse (794)
- 🛖 Terry Hill (3998)
- 🛖 John Cush (5366)
- 🛖 Deiter Mohrholtz (3456)
- 🛖 Ron Parker (649)

These are all we can think of offhand, plus of course Ned & Carol Heritage (2870).

Ned was unanimously dubbed The Ringleader of our bunch! So the official beginning of our Branch was that night the 22nd May 1993.

Our first outing was 2 weeks later, when Ned, Stan & K7 rode down to Gayndah to meet up with some Brisbane members to go to the Gayndah Orange Festival. We all camped overnight in the local showgrounds and it was a very successful weekend.
