

Helicopter Joy Rides are an activity available for attendees at this year's AGM.

The Joy Rides will operate from the AGM venue at the Aero Ovals Complex in Mildura.

Joy Ride tickets can be pre-purchased up to Monday March 19<sup>th</sup> from Professional Helicopter Services (PHS) who will be providing the Joy Rides at a special pre-purchase price of \$55.00 per seat in a five (5) passenger seat helicopter like the one in this picture.

Tickets can also be purchased during the AGM at the venue however, tickets purchased on site at the AGM will cost \$77.00 per seat.

There is a minimum of 250 tickets at \$55.00 each required to be purchased prior to March 19<sup>th</sup> in order for PHS to fly a helicopter from Moorabbin to Mildura and accommodate the pilots and ground crew for Joy Rides, so if a helicopter ride is on the list of things you'd like to do in your life, purchase a ticket early and enjoy a helicopter ride at anytime the helicopter is flying during the seven (7) days of AGM.

The Joy Rides are on a queue basis, they cannot be pre-booked and will take around five (5) minutes from start to finish. For those of you who have never been in a helicopter before, it will be an experience of a lifetime and something you won't forget....don't forget your camera.

The ticket you purchase from PHS for an AGM Joy Ride is only valid for the period of the AGM and cannot be used at any other time, so make sure that you buy a ticket and that you use it sometime over the AGM in order to avoid any disappointment.

To add another dimension to the AGM, PHS has also agreed to provide pre-booked one hour and half hour flights during the early morning before the AGM day begins (Sunrise Flight) and in the evening (Sunset Flight) as well as picnic flights during each day of the AGM.

The price for a half hour flight scenic or picnic flight will be \$1,100.00

The price for an hour long scenic or picnic flight will be \$1,980.00

Remember the helicopter seats five (5) people so why not get a group of five (5) friends together and pre-book and pay for your morning, picnic or evening flight as these flights are limited.

Of course if we don't reach the 250 pre-sale ticket target by March 19<sup>th</sup>, the Joy Rides won't be able to be supported, In this unlikely event, you can simply return the ticket you pre-purchased to PHS and PHS will provide a full refund.
